about me

I'm an enthusiastic, creative, executive, responsible, and detail-oriented Frontend Developer. Currently looking for a job to become a part of team, where I could use and improve my skills.

I have excellent communication skills, good sense of humor, logical mind, easily trained and last, but not least - not afraid of difficulties and deadlines.

experience

-
- 2017 — 2020 | Offerseven LLC
Senior affiliate manager
A mobile network primarily focused on CPI (Click per Install) campaigns all over the globe.
 - Finding new publishers and establishing long-term business relationships.
 - Monitoring the traffic and optimizing it by informing the publishers that run them and keeping in touch with them.
 - Establishing formal contracts with partners who are able to deliver on a consistent basis.
 - Regularly negotiating and adapting conditions for partners to be one step ahead of competitors.
 - 2014 — 2016 | Nemo hotel
Front office leader
